

# Luverne Community Education Summer Recreation Annual Fundraiser

Do you enjoy classes and activities provided by Community Education/Summer Recreation? To help keep fees reasonable, Community Education offers students in preschool through grade 5 an opportunity to help with the annual Walnut Grove Fudge fundraiser with an opportunity to win classroom and individual prizes. The quality fudge, made locally in Marshall, Minnesota, sells for \$5.00/half pound or \$10.00/pound. Donations are accepted if someone prefers not to buy fudge. Donations are 100% profit! You have limited days to sell, so start right away. **To be eligible for prizes return orders with money by November 13 to your classroom teacher.** A list of prizes to date, power point presentation, and extra forms are available on the school website--Com Ed page or at Community Ed office.

**CLASSROOM INCENTIVE PRIZES**--help your classroom to win a big prize when you sell fudge! The class that brings in the most dollars (donations and fudge sales combined) will win an **iPad to use in their classroom**, donated courtesy of A-1 Jet, LLC. There will also be consolation prizes for 3 or 4 runner up classes, so **ALL ORDERS** -- big or small -- help your class win!

**INDIVIDUAL PRIZES:** At least 14 top seller students will get to choose an individual prize. Parents have said this is an easy fundraiser because, "The fudge is so good, it sells itself!" Last year the top seller sold almost \$400. **New this year -- the 3 students who bring in the most DONATIONS (see back of this form) have a chance to win \$100 Shopko gift card or Sky Zone Gift Cards.**

## Remember

1. Write child's name and teacher's name on the order form and envelope.
2. **Take payment for orders now. Checks should be made out to Luverne Community Education.** Donations instead of fudge orders are welcome. List donations on back of this page and keep money separate from fudge.
3. To be eligible for prizes, turn in ALL forms & money **Monday, November 13.**
4. Pick up fudge orders from Community Education on **Thursday, December 7.**
5. Find extra forms and more prize details online at community education link on school website or at Com Ed office. **Questions-call 283-4724.**

Thank you for taking part in this "necessary" fundraiser. Community Education strives to provide a variety of activities year round, but especially in the summer, to keep the kids involved and busy. Thank you to our generous sponsors for the prizes!
